PROJECTS

JeevanJyoti – Telemedicine for Rural Healthcare (PS-1 Internship, JK Lakshmipat University | May 2026 – Jul 2026)
React 19 | **Node.js** | **Express.js** | **Flask** | **Scikit-Learn** | **SQLite** | **Jitsi (WebRTC)**

- Built a full-stack telehealth platform with patient, doctor and admin portals: appointment booking, e-prescriptions, Jitsi (WebRTC) video consultations, emergency SOS and a patient health vault.
- Developed a Flask ML service: Random Forest symptom checker over 41 diseases returning ranked predictions with confidence scores, with keyword-based symptom extraction in 13 languages and voice input.
- Implemented a K-Means deployment optimizer on government Rural Health Statistics data (staff shortages and rural population density) to rank states as Critical, Moderate or Low need for telemedicine centres.

EduSync – Student Management System
Python | **Flask** | **SQLite3** | **HTML5** | **CSS3** | **JavaScript** | **OAuth 2.0**

- Developed a full-stack multi-role web app for academic administration — attendance, grades, and fee management.
- Implemented PBKDF2 hashing, Google & Microsoft OAuth 2.0 login, and a CRUD module with auto-GPA.

IPL Predictor – Match Outcome Prediction Web App
JavaScript | **Node.js** | **Express.js** | **Cheerio** | **Axios** | **JSON**

- Built a data-driven IPL predictor featuring head-to-head records, squad analysis, player stats, and live news updates.
- Developed a Node.js + Express.js backend scraper using Cheerio & Axios to fetch live data from official IPL sources.

CafeBuddy – Full-Stack Cafeteria Application
Next.js 15 | **React 19** | **TypeScript** | **Tailwind CSS 4** | **Firebase** | **NextAuth** | **Razorpay**

- Built a high-performance food ordering platform with Zomato-inspired responsive UI using Next.js 15 & Tailwind CSS 4.
- Integrated Razorpay payments, NextAuth.js (Google OAuth) + Firebase Auth, and a real-time cart system via Zustand.

POSITIONS OF RESPONSIBILITY

Boys' Hostel Coordinator – JK Lakshmipat University — Sep 2025 – Sep 2026

- Managed hostel administration, student welfare, and inter-hostel coordination for the entire boys' wing.

Discipline Coordinator – HackJKLU v5.0 — Mar 2026

- Ensured smooth conduct across all hackathon event zones with effective participant and crowd management.
